**ACTIVITIES** : Blood Donation camp, Health Camp, Health Awareness, Community mobilization, Water & sanitation, study, research, lobby and advocacy for health service and blood to all needy people in time.

**VISION** “A state with peace dignity and having international integrity”.

**MISSION**

- ❖ Fulfill the needs of the people for the safest, most reliable and most cost – effective blood services through youth donations.
- ❖ Empowers ordinary people to perform extraordinary acts of service our blood donors are ordinary people college students, factory and office workers, business executives, parents and grandparents and people from every walk of life.
- ❖ A generous spirit, a desire to give back to own community and help others.
- ❖ Blood donors play an integral part in the delivery of modern healthcare .many life – saving medical treatment and procedures involve blood transfusions and would not be possible without a safe and reliable blood supply.
- ❖ Every two seconds someone receives a unit of blood. The need is constant. It is our mission to meet that need.

**BACKGROUND**

YOUTH DEVELOPMENT TRUST (YDT) is a charitable Trust founded on 12<sup>th</sup> April 2010 with objective to meet the need of blood scarcity in the State. Few likeminded people honestly trying to meet the challenge of getting blood by a person at need without any hurdles through a wide spreading database of blood donor in one click. A bigger dream to make blood revolution is the origin of the trust in 2010.

**STRATEGY:** Revolution can't come within a day or in a mouse click. Great effort and planning is the ladder to reach the goal. To materialized the cherished dream YDT focus on youth blood donors as central point of action. Network building

with student union, youth clubs and workers unions, corporate houses to aware and involve the greater communities towards reaching the blood revolution is the mandate of YDT. To reach out our goal focused on likeminded organization and individuals to work in collaboration by which nobody exempted to a bottle of blood for survival. Promotion of better health & hygiene with adequate infrastructure for better service delivery system .To from youth medical help cooperative societies.

### **THRUST AREAS:**

- Strengthening the health system and education through people's involvement and participation.
- Youth is the icon of energy and spirit, sports and culture are the two ways to infuse new life to the young mass, and YDT accept sports and culture with wide vision.
- Peace and conflict resolution only sustain a civilization and nourished the nationality with care, YDT dare to dream for peace and conflict resolution
- Nothing can be enlightened if the mass is deprive from sustainable livelihood hence YDT take strengthening the livelihood of poor slum dwellers and rural remote villages of Odisha.
- A transparent Governance only possible and all-round development can happen if the Governance system strengthened and YDT take it for the better delivery systems for the betterment of the neediest human beings in society.

### **WE FORESEE:**

- ❖ Five Minutes of your time + 350 ml. of your blood=One life save.
- ❖ I am a blood donor. Are you too?
- ❖ Blood donors bring a ray of hope.
- ❖ Blood bank cannot get Blood from stone.
- ❖ Blood donation - a Gift of Love.
- ❖ Have a heart. Give Blood
- ❖ You can donate blood 172 times between the age and 17-60 years.

### **TARGET POPULATION:**

- Each needy Indian wants **blood** for survival.
- Schedule caste & schedule tribe people
- Women and children
- Unemployed youth
- Differently able people
- The underprivileged society as a whole
